

## The Florida Keys Sculpture Trail

The vision of Key West philanthropists Mr. Jacob Dekker and Mr. John Padgett, launched the public art sculpture trail project in 2017 along U.S. 1, the Overseas Highway, an All-American Road.

The trail features nine sculptures created by The Art Students League of New York's Model to Monument Program, and is a generous gift to the residents and visitors of Monroe County, Florida.

Sponsored in part by the Monroe County Board of County Commissioners, the County's Art in Public Places Committee and the Florida Keys Council of the Arts. More details on the Sculpture Trail can be found at [keysarts.com](http://keysarts.com).
